Dear Sir:

Through one of your friends in Philadelphia, I am informed that you are very much interested in medals, and I am taking the liberty of asking whether you have ever received an invitation to associate yourself with The American Numismatic Society.

I enclose a brief folder which describes our Museum and its activities, and it would give me great pleasure to propose your name as an Associate, if you will permit me to do so. I am enclosing a card for your signature as the most direct means to that end, if your decision is a favorable one.

Very respectfully yours,

(Enclosures)

Secretary.

Dear Sir:

At the suggestion of Mr. Jennings Hood, I am writing to enquire whether you have ever received an invitation to become an Associate Member of our Society. The dues are but Five Dollars annually, and all members receive our publications issued throughout the year, and also have the privilege of subscribing for any medals which the Society may have struck.

I am taking the liberty of enclosing a brief pamphlet which describes our aims, and an application card which I should be very happy to have you fill out and return to me, should you be willing to be added to our list of members.

Trusting the above suggestion may receive a favorable response, I am

Very truly yours,
